## TO AILING WOMEN.

A Little Sound Advice Will Help Many a Sufferer in Williamsburg.

No woman can be healthy and well if the kidneys are sick. Poisons that pass off in the secretions when the kidneys are well, are retained in the body when the kidneys are sick. Kidneys and bladder become inflamed and swollen and worse troubles quickly follow. This is often the true cause of bearing down pains, lameness, backache, stinging, etc. Uric poisoning also causes headaches, dizzy spells, languor, nervousness and rheumatic pain.

When suffering so, try Doan's Kidney Pills, a remedy that cures sick kidneys. You will get better as the kidneys get better, and health will return when the kidneys are well. Let a Williamsburg woman tell you about Doan's Kidney Pills.

Mrs. James H. Malone, of Williamsburg, Va., says: "I used Doan's Kidney Pills and am glad to say that they gave me great relief although I did not take them as regularly as I should. I suffered severely from backache and a kidney weakness for several years. I used many remedies but did not find relief until last I procured Doan's Kidney Pills. It only took a few doses to bring about a great change for the better and I continued their use until the pains left my back and my kidneys became normal. I do not hesitate to give Doan's Kidney Pills my highest endorsement."

For sale by all dealers. Price 50 cents.

## Judge Williams Speaks.

Judge Samuel W. Williams, candidate for attorney general, addressed the voters at the courthouse last night in behalf of his candidacy. He was introduced by Mr. Frank Armistead, and addressing his audience in a conversational manner, made a strong appeal for the votes. His speech was clear cut and devoid of mud-slinging so-called. He was applauded many times, and apparently had a majority of the 25 or 30 present.

## Charged with Check Raisting.

Thad Ross, a young white farmer, was arrested Tuesday on the charge of raising several checks drawn by Mrs. C. E. Hubbard housekeeper for Miss Marshall. The amount secured by Ross was about \$50, only three checks being involved. The raised checks were passed on merchants. The work was clumsily done and easily detected.

The case was called Tuesday afternoon before Mayor Warburton and Justice L. W. Lane, Sr. Mr. B. D. Peachy represented the accused, who waived a hearing and asked that the case be sent to the grand jury and the man bailed.

Mr. R. E. Henley, acting Commonwealth's attorney, said that \$100 security would be enough, and this bail was furnished by F. J. Ross, father of the boy.

It is said young Ross has left the country. Yesterday at least one other raised check loomed up, and it is said there are others. Great sympathy is felt for the boy's father, who is an honest, hard working man. If the boy is convicted, it means a term in prison.
